Search for Data Security Awareness Level 1

Click on **Data Security Awareness - Level 1**

(Ensure the Data Security training is in the Statutory and Mandatory Training (SMT) section)

The screenshot shows the eLH search results page. At the top, there is a search bar and navigation links. The search results are displayed in a list format. The first category is 'Applications (0 records)'. The second category is 'Programmes (1 records)', with 'Volunteer Learning Passport (VTW)' listed. The third category is 'Courses (7 records)'. The first course listed is 'Data Security Awareness - Level 1' under 'Data Security Awareness (NHSD) > Data Security Awareness - Level 1'. The second course is 'Data Security Awareness Survey'. The third course is 'NHS Data Security Awareness Level 1'. The fourth course, 'Data Security Awareness - Level 1' under 'Statutory and Mandatory Training (SMT) > Data Security Awareness - Level 1', is highlighted with a red box.

Click on the **Play** button to start the training.

The screenshot shows the eLH course page for 'Data Security Awareness - Level 1'. The page has a navigation bar at the top. Below the navigation bar, there is a breadcrumb trail: 'My e-Learning > Statutory and Mandatory Training (SMT) > Data Security Awareness - Level 1'. On the left side, there is a list of courses. The selected course, 'Data Security Awareness - Level 1', is highlighted. On the right side, there is a 'Play' button highlighted with a red box.

Once you have passed the training, your course completion will be recorded against your eLH record. You can print a certificate if you require one for your own records.

Only if you have entered '**RL403**' in '**Place of Work**' when you created your eLH account, will the RWT Training Team be able to record your course completion against you ESR training record.
