

Accessing Preventing Radicalisation – Awareness of Prevent (Level 3) Training

e-Learning for Healthcare (e-LfH) is a **Health Education England** (HEE) Programme working in partnership with the **NHS** and professional bodies to support patient care by providing e-learning to educate and train the health and social care workforce.

e-LfH website: <https://portal.e-lfh.org.uk/Login>

If you have already registered, please log in using your Username and Password.

Search for **Awareness of Prevent (Level 3)**

Click on the **Play** button to start the training.
(Ensure the Prevent training is in the Statutory and Mandatory Training (SMT) section)

The screenshot shows the eLfh search results page. The header includes the eLfh logo, a search bar, and navigation links like 'Home', 'My e-Learning', 'My Account', and 'My Activity'. The main content area is titled 'Search results' and lists several categories: Applications (0 records), Programmes (0 records), Courses (1 records), Learning Paths (0 records), and Sessions (1 records). The 'Sessions' category is expanded, showing a single result: 'Preventing Radicalisation - Awareness of Prevent (Level 3)'. This result is highlighted with a red border, and a red box around the 'Play' button indicates it should be clicked to start the training.

Once you have passed the training, your course completion will be recorded against your eLfh record. You can print a certificate if you require one for your own records.

Only if you have entered 'RL403' in 'Place of Work' when you created your eLfh account, will the RWT Training Team be able to record your course completion against your ESR training record.
