Dear Supporter

During these unprecedented times of the fight against Covid-19 our amazing staff and volunteers continue to go above and beyond for our patients and their families.

We value and greatly appreciate each and every member of our RWT family - clinical and non clinical, “frontline” staff and teams that are working “behind the scenes”. Many are making sacrifices in their personal lives and pulling together to continue to deliver exceptional standards of care.

Our mission as a charity is to go “above and beyond” to help make a difference to the lives of our patients, their families and the staff who care for them.

We need your help now, more than ever before.

You can help us in the following ways:

- Visit our Just Giving page and please make a donation of whatever you can afford – whether that is a one off donation or a regular gift. You might wish to open a Just Giving page and invite your friends and family to also show their support. Please follow the link below:

Your vital support will help us to:

- Provide additional patient comforts as family members are unable to visit our hospitals at the moment and patients need toiletries, snacks and reading materials.
- Keep patients in touch with their loved ones by donating an old tablet or iPad or make a donation towards a tablet or iPad. Please contact us for details on the specification we are able to use.
- Additional staff comforts, such as over-night comfort bags, additional resources and furniture for staff rest rooms; where our hardworking teams can get a well-earned rest.

However you are able to support us, please know that you are helping the Trust to rapidly respond to the unpredictable demands on our services throughout the coming months.

Thank you
