**Black Country Healthcare NHS Foundation Trust is pleased to announce the launch of a 24-7 support line for adults, older adults, and children and young people requiring urgent mental health support during the Covid-19 pandemic.**

**Please don't suffer in silence. If you are experiencing increased distress or anxiety during these uncertain times, pick up the phone and speak to one of our specialist mental health professionals who will be able to support you.**

**We continue to provide support through our Healthy Minds / Improving Access to Psychological Therapies (IAPT) services which offer psychological therapy services for people experiencing common mental health problems such as low mood, depression, anxiety and stress.**
