## Can I choose where my donation goes?

The Charity manages over 70 Charitable Trust Funds across our three hospitals- New Cross Hospital, Cannock Chase Hospital and West Park Hospital and more than 20 community sites across the area. You can be confident that your donation will only be allocated to the Fund that you request.

The Charity's General Purpose Fund is available for the benefit of all patient groups and staff across the Trust. The Charitable Funds Committee in partnership with The RWT Trust will decide where your donation is best spent.
