Paediatric GA

Quick Referral Guide for GDP’s

- Patients should be aged between 2 and 16 years inclusive. Please contact the Management Office at Pennfields Medical Centre on 01902 444182 with regards to children aged between 18 months and 2 years.
- Patients should be offered an alternative to GA if appropriate and this should have been discussed with parent/patient prior to referral.
- Complete appropriate paperwork. This should be posted to the Management Office at Pennfields Medical Centre. Please include patient NHS number.
  A copy of the referral should also be given to the patient.
- Orthodontic extraction referrals are not routinely accepted but will be considered if a child has a learning disability.

Attach any relevant letters / x-rays. X-rays will normally be required when permanent teeth are to be extracted.

Please forward all letters or x-rays to:

Dental Management Office
Pennfields Medical Centre
Upper Zoar Street
Pennfields
Wolverhampton
WV3 0JH

Please telephone 01902 575226 for any queries concerning the pre-assessment appointments.

Pre-assessment days are Mondays and take place at:

Pendeford Health Centre
Whitburn Close
Pendeford
Wolverhampton
WV9 5NJ
