# Run the London Landmarks Half Marathon in aid of The RWT Charity

# The London Landmarks Half Marathon – Terms and Conditions

## About the event

London Landmarks Half Marathon is a closed road, central London run and is the only half marathon to go through both the City of London and City of Westminster.

This is not your average half marathon! From cultural landmarks and heritage to the city's quirky and hidden secrets, runners get to explore the capital on a route like no other!

We are delighted that our stakeholders have once again given us permission this year to welcome a limited number of wheelchair participants in LLHM 2024. When signing up for a charity place, please speak to your charity and let them know you would like to take part as a wheelchair participant. Your charity will then contact LLHM and request entry for a wheelchair place. LLHM will confirm if a place is available

The London Landmarks Half Marathon team offers free places to guide runners so let us know if you require a guide runner to take part in the race and we can confirm this for you.

Observe all health and safety rules and requirements and other security requirements that apply to the Event.

London Landmarks Half Marathon reserves the right, in its absolute discretion, to refuse admittance to the Event to any Runner who LLHM deems is in breach of the Runner Terms and Conditions and any other instructions issued by LLHM, the Event Management Company or its authorised representatives to the Runner without any liability whatsoever to the Charity Partner. ## Running in aid of The RWT Charity

Demand for places was high this year, but you can guarantee your spot at the start line by running on behalf of The Royal Wolverhampton NHS Trust Charity. We ask runners to pay a non-refundable discounted early bird registration fee of £15 and pledge to raise a minimum of £400 in sponsorship to help us to make things easier for our patients, their families & staff.

By running in aid of us, you will receive a runner's pack full of fundraising advice and tips to inspire you, as well as one of our exclusive RWT Charity running vests.

RWT Charity places shall only be offered to persons who confirm they are able to complete the course within 4 hours.

You will be responsible to arrange your travel to and from London, in addition to an overnight stay if you wish. Please keep in touch with our Fundraising & Lead Digital Officer on the day so that we can keep our social media pages updated on how you're getting on! We'd love to receive photographs and videos that we can share.

Once you have registered with us and had your RWT Charity place confirmed, we will send you instructions to complete the registration console with the London Landmarks Half Marathon team.

**Until these steps have been completed, you have not officially registered to take part in LLHM 2024.**

**To guarantee your secured RWT Charity place ahead of Sunday, April 7th 2024, you must raise a minimum of £400 (excluding Gift Aid) in sponsorship by Thursday, February 29th 2024.**

## COVID-19 Notice:

The London Landmarks Half Marathon organisers are committed to hosting a COVID-19 secure event. Should the event be postponed or cancelled, the RWT Charity will communicate this with our runners at our earliest opportunity.

The RWT Charity will not accept liability for losses occurred due to the postponement or cancellation of the event – this includes travel and hotel expenses or any other associated costs.
